Winemaking

Careful selection of mountainous Merlot and Mavroudi grapes to come to the winery in the ideal state of maturity and hygiene. Harvest in small crates up to 20 pounds. Maceration of must with the skins at low temperatures and subsequent fermentation at moderate temperatures of not more than 20 ° C. Separation with mild pressure and maturation in stainless tanks for 2 months. Bottled in an inert gas atmosphere.

Food pairing

A modern and light red wine full of aromas of small red fruits and red flowers. Mellow and velvety in the mouth ideally accompanies roast meat and pasta with light red sauces.
