

ΚΑΝΑΚΑΡΗΣ
ΟΙΝΟΠΟΙΕΙΟ

NOTOS RODITIS

Cultivation area

The mountain vineyards of the Slopes of Aigio in Eastern Achaia.

Variety

The indigenous Roditis from the Slopes of Aigio

Awards

Bronze Medal in Thessaloniki International Wine Competition (2018)

Silver Medal in Berliner Wine Trophy (2020)

Winemaking

Careful selection of Roditis grapes in order to come to the winery in the ideal state of maturity and hygiene. Harvest in small crates up to 20 pounds. Immediate pressure to receive the free-run must. Fermentation at low temperatures of not more than 15 ° C. Bottles fresh in an inert gas atmosphere

Food pairing

A modern, light white wine with flavors of citrus and exotic fruits. Medium body and fresh in the mouth perfectly accompanies summer salty or sweet-and-sour seafood snacks, fish, light poultry flavors.
